

To: MCSCAAA Members
From: Debra Lee – President
Topic: Annual President's Report
Date: July 14, 2022

Dear Alumni Members,

As we are about to gather for our 2022 Annual Meeting in a few days, I am very pleased to be able to submit to you another Annual President's Report, in which I hope to convey a few of the things we have accomplished since this time last year, and thank you again for all you have done to help advance our mission of support for the men and women of the Montgomery County Sheriff's office.

As I have said many times, I have a strong belief in our organization's Mission Statement: "Law Enforcement and Citizens Working Together for a Safer Community".

I'll also say again how much I believe in what our Bylaws state as our Purpose: "The purpose of the Association is to bring together the graduates of the Montgomery County Sheriff Citizen's Academy, to enhance relations between the community and the Montgomery County Sheriff's Office through continuing education, and to provide other assistance to the Montgomery County Sheriff's Office whenever possible."

Needless to say, our organization has done a LOT of great things over the past 12 months. As always, we were there as volunteers for MCSO at numerous events, which included two Promotions and Awards Ceremonies, a Cadet Graduation Ceremony, several "Faith & Blue" Bar-B-Q events, a Recruiting Event, various press conferences, all while our members were also doing such things as assisting the MCSO Quartermaster, assisting at the Records Office, assisting at the jail, and many other occasions where we were able to help and make a positive impact in our community. Everyone should know that all we do has been greatly appreciated by the Sheriff himself, and all the men and women of MCSO.

Over the past year we welcomed about 30 new Alumni members from two graduating classes from the MCSO Citizens Academy, and they have helped so much with everything we have been doing. And, needless to say, along the way we also successfully took on the biggest challenge that MCSCAAA has ever undertaken, with our hosting of the 2022 TCPAAA Convention last month.

Together, we all rose to the occasion, as we planned, organized and delivered what many people from around the state have said was one of the best conventions they have been to. All the attendees loved the theme we chose for the Convention, "*We Take Care Of Each Other*", and I'm sure that theme will remain in their minds for years to come. Well done, Friends!!

All of these activities since our last Annual Meeting were positive steps towards our continued growth and a stronger future for MCSCAAA. As we look forward to the next 12 months, I'm sure our members will continue to volunteer their time and energies towards making our Alumni Association a strong and healthy organization, and together we will continue to honor our Mission Statement and Purpose for many years to come.

Finally, I'd like to say again how humbled I am to serve as your President during these exciting times at MCSCAAA, and thank you again for your help and confidence during these past few years as I've served as your President. Thank you all!

Regards,

Debbie
